

5 MARCH 2009

OFI Private Equity Capital announces release of its new internet site

As part of its open communication policy with its shareholders, OFI Private Equity Capital is pleased to announce the release of its new website:

<http://www.ofi-pecapital.com>

The new internet site has been designed to provide more comprehensive information concerning the companies in the portfolio, and well as the activities of the company. Regulatory information and all press releases are available in the “financial information” section of the website.

The English version of the website will be available soon.

> ABOUT OFI PRIVATE EQUITY CAPITAL

OFI Private Equity Capital is an investment company quoted on NYSE Euronext (code: OPEC), which invests in both equity and mezzanine in secondary buy-outs of French companies with enterprise values of between €15 and €75 million that have been the subject of a previous LBO.
